Attorney Docket No. CKB-112.01

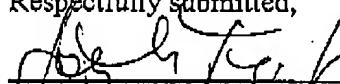

REMARKS

Pursuant to a telephone conference with Examiner Chuc Tran on April 6, 2006, the specification and drawings have been amended to clarify the features of first and second controllers in connection with the embodiment of Fig. 11. No new matter is added by these amendments.

If the Examiner has any further questions in this regard, the Examiner is encouraged to contact the undersigned at the telephone number indicated below.

Favorable action is requested.

Respectfully submitted,
